Want To Perform Remote Online Notarizations?

A commissioned Florida Notary Public may register to perform remote online notarizations (RONs) using an audio-video technology provider that is compliant with Florida law. If you would like to apply for your notary commission and register as a remote online notary, simply complete the steps below.

Notary Application & Online Notary Bond - To complete the application and online notary bond please refer to the attached **Instructions For Completing Documents** page.

Order Form - Select the appropriate notary package which contains the required \$25,000 Online Notary Bond, \$25,000 Errors & Omissions policy and RON Certification Course. Or, customize your notary package by selecting the Remote Online Notary Bond & State Filing Fees, add an Errors and Omissions policy of your choice and additional supplies from the grid. Indicate your stamp case color where applicable. Mail the completed forms with a credit card number, check or money order made payable to **Notary Public Underwriters**.

RON Certification Course - New and renewing applicants must complete a 2-hour State approved remote online notary training course before registering as a remote notary. Access to the RON Certification Course will be emailed to you along with instructions.

Online Notary Education Course (Required For First Time Notaries) - After you have purchased the course (see order form) you will receive a confirmation email with access information for taking the course. If you are a first time notary, please send a signed copy of the completion certificate to us. **This course is for the traditional notary commission and does not fulfill the remote online education requirement.**

We will file your traditional notary application with the State of Florida for commissioning. You will be required to register as a Remote Online Notary with the State directly, after your commission has been issued. Once the State has notified us of your commission, we will email you the registration form, instructions and other items needed to complete the registration process with the State.
